## Tartan Parade Formation

- The American flag should lead in the parade of tartans.
- The Macnachtan tartan banner flag should follow the American flag in the parade of tartans. It is proper courtesy for a third person to march to the left of the tartan banner flag.
- It is acceptable courtesy for a single clan member participating in the parade of tartans to carry the Macnachtan tartan banner flag without the American flag.
- If two members are participating in the parade of tartans, the American flag should lead with the Macnachtan tartan banner flag immediately following the American flag.
- Please use good judgement when participating in the parade of tartans.
- NOTE: If carrying a flag in formation, the headdress is not removed when the National Anthem is played. The member stands at attention.
